Charadrius semipalmatus

S

PR: Chorlito Acollarado; **DR:** Chorlito Semipalmado

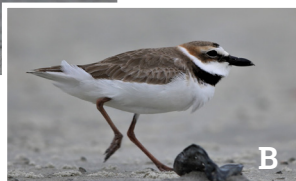

- » One black band on neck
- » Orange/yellow legs

Wilson's Plover

Charadrius wilsonia

S

PR: Chorlito Marítimo; **DR:** Chorlito Cabezón

- » Black bill is larger and thicker than other small plovers

Sanderling

Calidris alba

S

PR: Playero Arenero; **DR:** Playerito Blanquito

- » Pale overall in nonbreeding, maintains white belly

White-rumped Sandpiper

Calidris fuscicollis

S

PR/DR: Playero de Rabadilla Blanca

- » Long wings extend past end of tail
- » White rump visible in flight

Spotted Sandpiper

Actitis macularius

(S)

PR: Playero Coleador; DR: Playerito Manchado

- » Rump bobs up and down while walking
- » Spots only seen during breeding season

Killdeer

Charadrius vociferus

(M)

PR: Chorlito Sabanero; DR: Títo

- » Two black bands on neck
- » Brown back, white belly

Black-bellied Plover

Pluvialis squatarola

(M)

PR: Chorlito Cabezón; DR: Chorlo Gris

- » Gray/mottled gray and white back
- » Black axillaries (armpit) visible in flight

Short-billed Dowitcher

Limnodromus griseus

(M)

PR/DR: Agujeta Piquicorta

- » White wedge visible on back in flight
- » Feeds with sewing machine-like motion

Ruddy Turnstone

Arenaria interpres

(M)

PR/DR: Playero Turco

- » Patchy black, white, and brown markings
- » Short, orange legs

Red Knot

Calidris canutus

(M)

PR: Playero Gordo; DR: Playero Pechirrojo

- » Long and heavy bodied
- » Proportionately short neck and legs

Stilt Sandpiper

Calidris himantopus

(M)

PR: Playero Patilargo; DR: Playero Zancudo

- » Prominent white eyebrow
- » Long, slightly drooping bill

Lesser Yellowlegs

Tringa flavipes

(M)

PR: Playero Guineílla Pequeño;
DR: Patas Amarillas Menor

- » Bright yellow legs, white belly
- » Short, straight bill

Greater Yellowlegs

Tringa melanoleuca

(L)

PR: Playero Guineílla Grande;
DR: Patas Amarillas Mayor

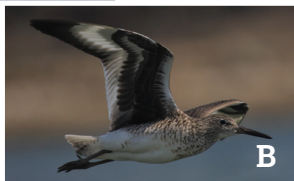

- » Larger than Lesser Yellowlegs with longer bill

Willet

Tringa semipalmata

(L)

PR: Playero Aliblanco; DR: Chorlo

- » Bold black and white stripes in flight
- » Overall gray/mottled gray back

Whimbrel

Numenius phaeopus

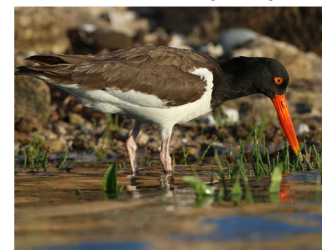

(L)

PR/DR: Playero Picocorvo

- » Bill curves downward
- » Brown and white head stripes

American Oystercatcher

Haematopus palliatus

(L)

PR: Ostrero; DR: Caracolero

- » Distinctive large orange bill
- » Black head, brown upperparts, white belly, dull pink legs
