

A PLANET OF HOPE

Birds Connect Us

For 50 years, Manomet has been working to build a more sustainable world—for birds, for people, and for our future.

Spend an evening with Manomet and our friends, supporters, and partners to celebrate these amazing creatures and the many people and organizations working to protect their diverse habitats, connect people to nature, and create a world where birds and people can thrive.

- » **Join in** a fun night with people who are working to make a more sustainable world for the birds—and all of us.
- » **Connect** with more than 200 community and business leaders who share your interest in making the world a better place.
- » **Be a part** of something good, something hopeful, something lasting. Your support makes our work possible.

A little hope can do a lot...
